

# Dog Walking Reminder

From: April Blais <rrrmgt-mail-system@rrrmgt.mailer.appfolio.us>

---

Dear Owners of Liberty Estates:

We are writing to remind dog walkers to please try to avoid the grass areas of other units to avoid grass damage and ensure unit privacy.

As a courtesy to other units, dogs should be directed to those areas directly adjacent to paved areas as well as the area immediately behind their own units.
